Re: PDP Agreement Participation and Opt Out Confirmation Process

Innovatix Network has executed Network Service Agreements with a number of PDP Sponsors. A copy of each PDP-Pharmacy Agreement has been included on your Innovatix Flash Drive. **Review these documents very carefully.** Please note that these agreements cover many individual Prescription Drug Plans. For your reference, an excel file, which identifies the individual stand-alone PDPs covered by each sponsor, is also included on the flash drive.

➤ **IF YOU CHOOSE TO PARTICIPATE**

As a participating pharmacy in the Innovatix LTC PPN, according to the terms of your Pharmacy Participation Agreement with Innovatix Network, your pharmacy has agreed to provide pharmacy services to beneficiaries enrolled with each PDP sponsor UNLESS you provide the Innovatix Network with written notice of your intention to “Opt Out”. The section below describes the “Opt Out” process and the attached “PDP Agreement Participation and Opt Out Confirmation Form” should be used to notify Innovatix Network of your decisions. As soon as we receive this form, we will begin to enroll your pharmacy in the chosen PDP agreements.

The PDP Agreement Participation and Opt Out Confirmation Form should be returned to Innovatix as soon as possible (Attn: Innovatix Network); this is your “Opt-Out Deadline”. If you do not return the attached form by your Opt-Out Deadline, your pharmacy will be automatically enrolled in all of the PDP agreements, except those which require direct contracting.

➤ **IF YOU CHOOSE TO OPT OUT**

If your pharmacy chooses not to participate in any of the PDP Agreements, you **MUST** complete and return the attached PDP Agreement Participation and Opt Out Confirmation Form by the Opt-Out Deadline.

As stated above, if your pharmacy fails to provide notice of its decision to opt out then, pursuant to Section 4.1(a) of the Pharmacy Participation Agreement between your pharmacy and the Innovatix Network, the Innovatix Network will execute each Pharmacy Agreement on your behalf and you will be bound by its terms. The Innovatix Network has not reviewed the Pharmacy Agreements and they may govern the provision of pharmacy services for beneficiaries covered under plans other than those under Part D of the Medicare Prescription Drug, Improvement and Modernization Act of 2003. Innovatix Network does not make any warranties or recommendations regarding the advisability of entering into the Pharmacy Agreements or providing pharmacy services pursuant to the Plans. You should carefully review such agreements and may also wish to seek legal counsel.

If you have any questions regarding the foregoing, please feel free to contact the Network team at ppn@innovatix.com or (888)258-3273. Thank you for your participation in the Innovatix Network.
